## Who are the FabNine???

The FabNine started as a group of individuals in high school, nine students, that connected on a common bond of friendship and sports.

Our friendship and loyalty to one another increased throughout our four years in high school. Following graduation the FabNine went in different directions to pursue higher education. However, the separation did not split the group, but rather strengthened the bond of the FabNine.

Wanting to give back and do something better for the community we all agreed to utilize our potential and expertise to help our community

and surrounding areas.

Now, more than sixteen years later, we are still working together to better our

community and the lives affected by diversity.

## Where Are We Headed?

Just this past summer we officially became a non-profit corporation and we're hitting the ground running!

Our first event is the "Stuff-A-Bus" food drive, where our goal is to fill a school bus full

of canned goods to donate to the Holy Family Food Pantry.

In the spring we are going to host our 4th annual charity dodgeball tournament, which has raised almost \$4,000 annually.

Where we go from here depends on you! Send us your comments and suggestions for future events and fundraisers. Together we can make our community healthier, stronger and more promising.
