Dodgeball for Diabetes

Spring is here, and we hope you're looking forward to **FabNine's Fourth Annual Dodgeball Tournament** at Shove Park.

As usual this fun, enthusiastic, and competitive event will be donating the proceeds to the [American Diabetes Association](#).

Brand new this year, we are offering online registration as well as single player entries. Find more information at <http://www.fabnine.com/Dodgeball.html>.

All ages are welcome and we encourage teams to compete in the wackiest outfits they can think of. Show your Team Spirit!

Last year we had 44 teams compete and managed to raise over \$5,000 toward research to fight diabetes.

We need all the help we can get this year to surpass last year's efforts, so sign up

early, invited your friends, and spread the word about the best charity dodgeball event in Syracuse!

What's going on later this year?

FabNine is proud to announce the addition of two new events to our calendar in 2010. The first is the Wounded Warrior 5K, a road race to benefit Syracuse's VA Hospital.

The second event will be our very own Charity Golf Tournament. We will be registering teams of four to compete at one of Syracuse's premiere golf courses. All proceeds from the golf tournament will be used to provide

ongoing research for children with life threatening food allergies.
